

Development of Materials Science in Research and Education (DMSRE26)

29 August - 2 September 2016

<http://dms.fzu.cz/26/>

Under auspices of
Institute of Physics, the Czech Academy of Sciences
Slovak Society for Industrial Chemistry

Organized by
Czechoslovak Association for Crystal Growth
Slovak Expert Group of Solid State Chemistry and Physics

Topics

- Trends in development of materials research
- Education of materials science at the universities
- Information about the research programmes of individual institutions
- Information on equipment for preparation and characterisation of materials
- Results of materials science research
