

The seminar

DEVELOPMENT OF MATERIALS SCIENCE IN RESEARCH AND EDUCATION

is already the 27th in the series started in Gabčíkovo in 1991.

The scientific sessions will cover mainly the following topics of materials science:

1. Trends in development of material research.
2. Education in material science at the universities.
3. Information on equipment for preparation and characterization of materials.
4. Results of material science research.

DATE AND VENUE

The seminar will be held from September 4 to September 8, 2017 in Rekreačné zariadenie OZ PŠaV CROCUS, Kežmarské Žľaby in High Tatras.

PRESENTATION

The seminar will include lectures and short oral contributions. The time for presentation is 30 minutes for invited lectures and 20 minutes for short contributions including discussion.

Official languages: English/Slovak/Czech.

BOOK OF ABSTRACTS

Abstracts of all presented contributions (only one page per contribution) will be published in English in the printed Book of Abstracts. Only abstracts sent in electronic version through the [seminar webpage](#) will be considered.

PUBLICATION

After the review process, all presented and accepted papers (up to 15 pages) will be published in the journal [IOP Conference Series: Materials Science and Engineering](#) (Online ISSN: 1757-899X, Print ISSN: 1757-8981) [abstracted](#) in Scopus, Web of Science, Thomson Reuters, Chemical Abstracts and others.

Authors willing to send the full paper are asked to pay extra fee for the paper publication and to prepare the contribution using the [Paper Template](#) according to [instructions](#).

GUARANTEES
